- Sports should provide a safe and fun environment for children and young people. Every week hundreds of thousands of youngsters happily and safely participate in the care of dedicated sports coaches. To ensure that good work continues in a safe environment, organisers, coaches and parents must be aware of child protection issues.
- Protect yourself, the young people you are coaching and your employer by understanding and following good coaching practice. Learn about child abuse and how to handle situations if you have concerns.
- Organised by the Moray Council Sports Development.
