Grampian Coaching

Dear coach/volunteer,

I am writing to inform you of a few changes to Grampian Coaching:

We have upgraded the website with information on our Scholarship Scheme, new latest news section and planning a Coaching Conference – May 2008
www.grampiancoaching.org.uk

Please find included a new questionnaire that we use to collate information onto our coaches/volunteers database. The database is used to inform you of any coaching courses available to you in Grampian. I would appreciate if you could take the time to complete the questionnaire so we could assist you in your training needs. There is an electronic version available on the website.

Its a very exciting time to be involved in coaching or volunteering with two world class events coming to the UK in the near future: 2012 Olympic Games (London) and 2014 Commonwealth Games taking place in Scotland (Glasgow).

“Let Grampian Coaching be part of your journey”

Regards,

Jan Stander
