

sportMoray – Club Golf Competition

On Saturday, 9th August 2008 sportMoray hosted their first Junior Golf Competition at Kinloss Country Golf Club. Although a small number of entries, just over 20, it was good to see young, grass root players who have not yet obtained a handicap showing such promise and following the etiquette of the game. They should all be congratulated on their sportsmanship and play.

The winners of the various categories are as follows:-

**Target Golf – Girl Winner – Carrine Taylor
Boy Winner – Kris McInnes and Thomas Bell**

**Longest Drive – Girl Winner - Carrine Taylor
Boy Winner – Blair Gordon**

**Himalayas - Girl Winner – Carrine Taylor
Boy Winner – Iain Phimister**

**Over Placing – Gold Medal – Carrine Taylor
Silver Medal – Thomas Bell
Bronze Medal – Kris McInnes**

Euan Kershaw and Jemma Utting experienced their first ‘hole in one’ on the day - one on the driving range and the other on the Himalayas.

Hopefully the competition will attract more young players next year and as the group this year advances there will be possibilities of further competition at grass root level being developed.

Grateful thanks to Tommy and Karen Dingwall at Kinloss County Golf Club allowing us to host the competition there.
